FOR IMMEDIATE RELEASE:  
Monday, November 25, 2019

In preparation for the Riverfront Revitalization Project’s next phase, public access to Heartland of America Park will soon be restricted.

The closure, which was originally scheduled for the beginning of 2020, will instead occur next week – providing some additional days for early-work construction efforts.

Heartland of America Park will close to the public on:
- Monday, December 2 at 6:00 AM

Most immediately, barriers and signage will close off access to parking lots and sidewalks within Heartland of America Park. Fences will go up and surround the park’s perimeter in the days to follow.

Heartland of America Park will remain closed until project completion through 2023, weather permitting.

Construction and project updates can be found at www.riverfronrevitalization.com and the Mayor’s website at https://mayors-office.cityofomaha.org. Questions may be referred to the MECA Riverfront Hotline at (402) 599-6565 or theriverfront@omahameca.com, or by contacting the Mayor’s Hotline at (402) 444-5555 or email at hotline@cityofomaha.org.

The public may also go online to see images from the Heartland of America Park and Gene Leahy Mall progress cameras, which provides a bird’s eye view of project development.
